

DRIVING DIRECTIONS:

From Washington Avenue, turn north on Portland, go two blocks to West River Road Parkway. Turn left (west) on West River Parkway/Grand Rounds Scenic Byway. The Mill Ruins Park parking lot will be immediately on your right. The entrance to the lot has been re-routed. To access, take a right at the far end of the lot. To pay for your parking, look for the pay box located near the sidewalk entrance to the Stone Arch Bridge. The cost is \$1 per hour and the machine takes either coins or credit. You will have a receipt to put on the dash of your car.

Walk across the street to our entrance, which is off the plaza at 100 Portland Avenue South (two story building with smoke stack).
