

Collaborative Design Group Celebrates 10 Year Anniversary

January 1, 2011 marked the 10 Year Anniversary of Collaborative Design Group. Over these past ten years, we have been fortunate to have had the opportunity to contribute to many exciting projects, both large and small. CDG has evolved into a design firm with a very unique identity. We take pride in our ability to thoughtfully develop creative solutions to any situation that is presented to us.

We want to take this opportunity to express thanks to all who have put their trust in CDG and who have contributed to our success. Most of all, thank you to our employees and team partners who have made our projects successful.

Please review our new website to see some of our work over the past ten years. We welcome your comments.
