

Collaborative Design Group Designs Montreal Terrace Townhomes

St. Paul, MN – May 22, 2003 – Collaborative Design Group is providing architecture, structural and interior design services for Montreal Terrace, a new six unit, luxury townhome complex on the corner of Montreal Avenue and St. Paul Avenue in the Highland Park neighborhood of St. Paul. There will be a Grand Opening at the end of June.

Developed by Meridian Management Inc., the two+ and three+ bedroom, 2.5 bath units range in size from 1,770 to 2,250 finished square feet and feature an open plan living with home office areas. The residences include fireplaces, nine-foot high first floor ceilings, bay windows, screened porches and maple flooring. State-of-the-art kitchens, which open on to the living room, feature cherry finished maple cabinets, wine racks and granite counter-tops. Michael J. Crowe, Inc. is providing construction management services.

Collaborative Design Group, Inc. is a multidisciplinary architectural, structural, engineering, interior design, and planning firm located in Minneapolis, Minn. The firm offers comprehensive design services to commercial, industrial, and institutional clients.
